PORTLAND METROPOLITAN ASSOCIATION OF REALTORS®

PMAR WAS ESTABLISHED in 1911 to organize the real estate profession in the Portland metropolitan marketplace. Today, the Association is the local voice for real estate as the advocate for free enterprise and private property rights. Our core purpose is to advance the ability of our Realtor® members to thrive in an ethical, professional and profitable manner.

WHAT SETS MEMBERS OF THE MASTERS CIRCLE APART?

1. They have the experience to provide exceptional results

When selling your home, a seasoned broker can save you time and money. Understanding how to interpret current market conditions and position your home for a faster, smoother transaction requires knowledge and skills only gained through experience.

In the past year, members of the Masters Circle have completed anywhere from \$2 million to over \$230 million in a variety of home sales. This wide range of experience provides them with valuable expertise that benefits their clients.

2. They give back to their community

Not only is the Masters Circle committed to serving their clients, they are committed to serving their community at large! Our members seek to

build and strengthen the relationships between the real estate industry and their communities. The Masters Circle donates proceeds from their annual silent auction to local non-profits working to improve our community such as the African American Alliance for Homeownership, Northwest Children's Outreach, Union Gospel Mission, JOIN, and more.

3. They form a network of knowledge

A knowledgeable Realtor® can help you find a home best meeting your needs and expectations. You get access to their resources and knowledge of the market area and available inventory as well as their ability to recommend other qualified housing professionals. This includes mortgage lenders, home inspectors, and others whose services will be integral to a great home buying experience.

When a Realtor® joins the Masters Circle, they

join a network of accomplished professionals who help each other improve their skills. This network of knowledge and experience helps them serve you – the client!

4. They are dedicated to their craft

Joining the Masters Circle is an extra step Realtors® can take to demonstrate their dedication and commitment to the field. These members have risen to the top of the industry by excelling in negotiation, listening, attention to detail, and knowing all the ins and outs of real estate.

Members of the Masters Circle annually demonstrate outstanding achievements in the listing and selling of property. Choosing to work with a Masters Circle Realtor® gives you the confidence of working with a dedicated professional for the largest investment of your life.

5. They are REALTORS®

Masters Circle members aren't just real estate professionals – they are Realtors® and abide to a strict Code of Ethics based on professionalism and protecting their clients. They are proficient negotiators who know their local market better than anyone and have exclusive access to educational opportunities to further their skills.

Are you a first time homebuyer who is looking to purchase? A senior who wants to downsize? Or are you relocating to the Portland Metro Area?

There is a Masters Circle Realtor® member that can make your homebuying dreams come true!
