

Who serves in local elected offices can be critical to how our neighborhoods and communities function, and to how you conduct your business as a Realtor®. During the months of September and October, the PMAR PAC Trustees devoted their time to interview 11 candidates for local and regional political office. Each candidate was critiqued as to their prior voting record (if applicable), how closely they align with PMAR's Governmental Affairs Policies, and the structure and strength of their campaign including fundraising. To assist you as you fill out your ballot, the PMAR PAC Trustees provide the following Voters' Guide. And remember...be sure to vote!
