Q: Is PMAR notified by the Oregon Real Estate Agency (OREA), my Principal Broker, or the Ethics training educator that I have completed my Ethics training?

A: No, Ethics training is not an OREA requirement, it is a NAR requirement. It is the individual members responsibility to notify PMAR of all record changes, this includes providing PMAR your Ethics certificate.

Q: Where do I send my certificate, to notify NAR I have completed my Ethics training?

A: E-mail your certificate to membership@pmar.org

Q: Is the Ethics training included in PMAR's mandatory New Member Orientation?

A: No.

Q: Does my license renewal have anything to do with meeting the NAR Ethics training requirement?

A: No, your license renewal with OREA is on a different cycle than NAR's Ethics training cycle. Please, contact the OREA directly with questions regarding your renewal requirements, 503-378-4170.

Q: Does the Law and Rule Required Course (LARRC) meet the ethics training requirement?

A: No, LARRC is not a requirement of NAR and will not be accepted in lieu of the Ethics training required. If you have questions about the LARRC requirement, please contact the OREA.

Q: Do any of the post-license courses for license renewal meet the ethics training requirement?

A: The only course that meets the requirement is the "Advanced Real Estate Practices" course. This course is only offered prior to your first license renewal.

Q: Does my certificate meet the current requirement?

A: If your certificate is dated between Jan 1, 2019 – Dec 31, 2021, it is 2.5 hours or more of class time, the title of the course has "Business Ethics" in it, and it was not used to meet Cycle 5, chances are yes. We will review all certificates in the order they are received, and a confirmation email will be sent confirming it has been reviewed. If further information is required, you will be advised in the email response.

A: It can take up to 48 hours for the review process. Uploads are sent to NAR weekly. Certificates are processed in the order they are received. During high volume times, it can take up to 1 week to process certificates. Submit your certificate early to avoid the deadline rush. Our busiest time is the final 3 months of the cycle.
