Why do you volunteer at PMAR?

I'm fortunate to be able to work in an industry that has been built on the shoulders of the hard work of many who came before. PMAR is the foundation, establishing the "playing field" upon which we labor. I think it is important to give back to an organization that gives so much to us.

What would you say to someone who is thinking about volunteering on a PMAR committee?

Do it. We need fresh voices and perspectives at PMAR to keep the organization moving forward and changing in a changing market.

What is your favorite PMAR event?

Hard to choose! I love the Masters Circle events; invaluable information and networking, the YPN events have a great energy and often deliver new ideas and new ways of doing things. And the RPAC fundraisers are a hoot and help fund causes that benefit homeowners as well as our businesses.
